Health and Safety Protocole Update

In order to ensure a safe return for all students on Monday, January 10, 2022, the entire Côte du Soleil team has been implementing the health and safety recommendations issued by the Province. As a reminder:

- * please complete a daily **health check** before sending your child to school
- * Students should stay home when sick
- * Please follow public health recommendations

Some additional measures in place at the school include:

- * classrooms have been reorganized to maximize space between students
- * students will have different access points to enter and exit the school
- * staff/parent meetings will be exclusively virtual
- * access to the school is limited to visitors directly supporting the learning/safe environment
- * masks must be worn by all students and staff
- * students should wash their hands frequently
- * physical distancing is encouraged and students should not share materials/food
- * frequently used surfaces are disinfected daily

Please contact your child's teacher or myself for any additional questions.
